From Gods (Descendant Prophecies Book 1)
Did you just see a flash of lightning across the sky on a clear sunny day? Don’t blame Mother Nature. Skylar Rome can’t wait to spend her last summer before college with her cousin, Kayla. Everything changes when they meet the Grand brothers. Skylar is sure she should stay away from Mason Grand, but their attraction is undeniable. Then Skylar’s life erupts into turmoil. She steps into a world where descendants of ancient gods have super powers, evil beings chase her, and questions arise about her own identity. She is running out of time and running for her life, while trying to unravel the mystery of what they want from her. Forced into a battle set into motion long before she was born, will Skylar find the answers she seeks, or will she die trying?
(loved those two from the beginning of the book) and Nick too. What on earth or descended from heaven is Skylar? MY REVIEW So the story is that Skylar’s dad walked out of her life when she was very young, her mother prefers to not speak about him so he is somewhat of a taboo subject. Skylar hates to be reminded of him so no one call’s her Sky anymore as that’s what he always called her. So Skylar is going to her Aunt Kelly’s to be with her cousin Kayla for the summer break. Upon arriving at aunt Kelly’s she learns that her aunt is short of waitresses at the cafe/diner she owns, so Kayla has been coerced into working at the diner. Skylar immediately volunteers to help out too, as she would just be stuck alone otherwise, plus she is the kind of girl that would want to help out her family too. Both girls get really into working at the diner and get along with Jack the cook, and Mona the other waitress. Then of course they see some good looking guys. I’ll let you discover how they meet etc by reading the book, as I prefer not to give too much detail. Anyhow it turns out the gorgeous "brothers" Mason, Nick, Remus & Everett are quite different to other guys as they are in fact descendants from the Gods. They seem puzzled by Skylar and they think she too could be a descendant from the Gods when Hades Vultures go after her too. However she turns out to be something quite dangerous to the Grand brothers. In fact she quite accidentally kills one of them when he attacks her.
