Great story...this was my first read of any Deadpool by Joe Kelly and it's as great as everyone says. It's the anad Deadpool and Spider-Man and there's a Deadpool Spider-Man dance off if that's all you need to know

This book does not disappoint. Super funny. I lol'ed several times. And the art is amazing. This same creative team worked on Deadpool 20 years ago, effectively creating the Deadpool we all know and love today. And now they're back and I honestly feel like they have both upped their game. Love this series so far. I hope it keeps going hard for a long time. Phrasing. Boom.

This was a great read, it definitely shows a blooming friendship between DP and spidey. With conflict brewing as pool comes to the conclusion that spidey's boss (Peter Parker) is evil and must die. This book is full of laughs and quips, as any fan would expect. The writing was fantastic, it's nice to see Joe Kelly back in control of Deadpool and he brings plenty for spider-man fans as well.

The art is quite good as well and seamlessly carries the plot. The only complaint I have about this particular collection is that it skips issues 6&7, leaving you feeling a bit jipped. I assume they did this as the writers changed in those issues and gave no real added story, making it read more fluidly. Hopefully they add those issues in the next to. Either way, I recommend this to any Deadpool or Spider-man fan.

This book sells itself. I mean, there's no reason this team-up shouldn't be incredible, and it doesn't disappoint in the slightest. I don't even know if I can call this a team-up, cuz it's kinda forced on a VERY RELUCTANT Spidey. But he'll come around. Deadpool is just as Deadpool as he needs to be, but the book does a good job balancing out his scenes and Spider Man's so Deadpool isn't completely overpowering everything, which can happen with his team ups. The art is awesome, you'll be sold after the first couple pages. I bought the single issues and loved every issue. Completely necessary book if you like either character.

Great product at a good price!
