## Synopsis

The human body can achieve amazing feats, but with every new physical feat, there are many failures. Readers will learn about some of the most amazing physical feats in history in this inspiring nonfiction title. Readers will learn about sports records, daredevils like Evel Knievel, and the incredible determination that athletes of all kinds have in order to achieve amazing things. Featuring brilliant images and photos, charts, graphs, informational text, and stunning facts, this book will have readers engaged and amazed! About Shell Education Rachelle Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.
