The Kids' Money Book: Earning, Saving, Spending, Investing, Donating

Synopsis

It's dollars and sense! If the only thing your children know about money is how to spend it, it's time to teach them a different lesson. This revised and updated edition of Jamie Kyle McGillian's thorough financial guide for kids now features the latest information and fresh, fun new illustrations. It explains how to create a budget, make big bucks, invest your earnings, and donate to charity. With advice on understanding the difference between needs and wants, getting the most from an allowance, becoming an entrepreneur, and sharing the wealth, The Kids' Money Guide will make a mogul out of any reader.

Grade Level: 3 - 7

Customer Reviews

Grade 5-8-Joining a crowded field, this cheerful treatment of personal finance will hold its own despite some cutesy, cartoonlike color illustrations. After a brief history of money, McGillian covers the usual topics-budgeting, earning, spending, saving, etc.-with effective ideas for resisting consumerism. Oddly, an afterword on the adoption of the euro is included. The writing is clear and lively; even the good advice is less schoolmarmish than usual. Books on this topic abound; the best one is still Neale S. Godfrey's *Ultimate Kids' Money Book* (S & S, 1998), which has better illustrations. An additional purchase. Jonathan Betz-Zall, City University Library, Everett, WA
