Customer Reviews

I homeschooled my son and needed a study guide to help him prepare for the Terra Nova test. This was a helpful guide and gave me a sense on what to have him review, as well as areas on which I still needed to provide more instruction. He did very well on the test, as a result.

Spectrum Test Prep, Grade 4 did an adequate job of preparing my 4th grader for standardized testing. This book was purchased in order to help my daughter calm her nerves before the test. It did exactly that.
