Amazing how these two little books of the New Testament have been brought to life by Beth Moore and how she is bringing me into the actions. Very thought provoking but not too deep to just get the weekly study work done and enjoy the discussions. Great study.

Several of my ladies have had such a struggle getting into this study and not feeling overwhelmed.

We are persevering but this one seems to be all over the place. We love Beth but just aren't sure if it is us or the back and forth all over that is making this one difficult. It would be very helpful if these studies had an online community to interact with.

This book was really worthwhile and I had a good time going over this with some friends from my church.

I'm a big fan of Beth Moore's Bible studies, and this 'session', this is the one we're using at the Women's Bible Study at the church I grew up in (am basically homebound now, but the Bible studies are set up to not have a lot of risks for overheating- which is critical with a medical condition I have). It's nice to get the books before the studies start, to review and get an idea of what it's about.
