Age Range: 3 - 5 years

Grade Level: Preschool - Kindergarten

Customer Reviews

I really wanted a mermaid board book because my almost two year old loves mermaids. The illustrations are adorable but I wish they would have made an original story instead of just taking the Disney one and changing the names. I just found it weird.

I purchased this as a baby shower gift. The theme was a Mermaid theme and whenever I give a baby gift I always give books so that mom, dad and baby can get an early start on reading and time together. I always read to both of my children when they were growing up every night.

Very cute little book! I got this for my friends daughter who turned 2. It's a board book, sturdy, and perfect for a two year old to look at without destroying! The story is very cute and she loves it!

This book is adorable. I love mermaids so I order mermaid stuff every time I see it and this book does not disappoint. My baby loves it too! It's a simple version of the little mermaid with a few different details. So cute!

My 3 year old is not crazy about books, but she loves this one! It has a lot of content for a board book. Great illustrations and super cute sing songy type dialogue.

My daughters loves this book! One is 5 and one is 2. The 5 year old looks and reads it in car.

Cute and whimsical rhyming book. My two year old loves it!

EXACTLY AS DESCRIBED - SWIFT DELIVERY - AWESOME:)
