Book Of Common Prayer

Synopsis

Welcome to the eBook edition of the Book of Common Prayer produced by Church Publishing, Inc. This version of the BCP contains the complete content of the authorized Book of Common Prayer 1979. Fully searchable and featuring a built-in Table of Contents, this eBook BCP was designed to make content accessible on mobile devices and tablets. Because eBooks are designed to re-flow the text according to the size of the screen of your mobile device, designing an eBook to maintain the exact page layout and page numbers of the print edition is neither possible nor desirable. As such, the layout of the content may be different depending on the device you are using. These eBooks give Episcopalians easy access to the Book of Common Prayer, making it as close as your tablet or eBook reader. I'm delighted that Church Publishing is responding to the needs of the church in this way. "Ruth Meyers, Dean of Academic Affairs and Hodges-Haynes Professor of Liturgics at Church Divinity School of the Pacific

Customer Reviews

The Book of Common Prayer (1979) is the latest, complete BCP used by the American branch of the Anglicans, the Episcopal church. There have been many books that have had the title 'Book of Common Prayer' since the first one appeared in 1549; it has been used continuously in one edition or another in the Anglican tradition since 1559; the 'main' edition remains the 1662 edition. The American church modified the Book of Common Prayer for its own use beginning shortly after the Revolutionary War -- this book is the successor of a long and worthy tradition. A bishop in the Episcopal church once said to me, 'We don't have a theology that we have to believe -- what we have is the prayerbook.' Please forgive the absence of context for this phrase -- while he would say that this statement in isolation is an exaggeration, and I would agree, nonetheless his statement serves to highlight both the importance of and the strength of the Book of Common Prayer. To be an Anglican (in the United States, read Episcopalian for the same in the context of this article), one does not have to subscribe to any particular systematic theological framework. One does not have to practice a particular brand of liturgical style. One does not have to have an approved politico-theological viewpoint. One can be a conservative, liberal or moderate; one can be high church, low church, or broad; one can be charismatic, evangelical, or mainline traditional -- one can be any number of things in a rich diversity of choices, and the Book of Common Prayer can still be the book upon which spirituality and worship is centred. The Book of Common Prayer is not, in fact, a book that changed my life. It is a book that changes my life.
