## Customer Reviews

During the Sunday morning worship service, my pastor [Marcus Tate] shared highlights concerning Smith Wigglesworth. Truthfully, it was my first time hearing his name so I made a note of his name. There was an urgency to read about his life. Due to a sudden severe illness, which kept me up all night to the early morning hours, I was not fit to make my way to service. I am in perfect health, which the aches and pains made no sense to me. A flash of history waves my thoughts concerning attacks right-before-service, I knew it was time to press my way to worship service, that a breakthrough word [knowledge of the word] was about to hit the atmosphere. One of the members telephone me early that morning as I was lying down with a timer to rest my body before preparing for church. Honestly, I was considering staying home to rest because the attack was awful. Needless to say, I made my way to church. The moment I stepped into the door, Sister Eunice placed in my hand a small bottle of anointed oil, which I placed in my purse. She mentioned that Pastor and His Mother both prayed over the oil. Grateful of a determined mind beyond the condition of the body, I was saturated with beautiful worship, hospitable people, and the message titled: "The

Mind of Christ Concerning the Word of God." In the 360 circle of his presentation of the gospel, he mentioned the name Smith Wigglesworth. Today, is October 8, 2012, I woke up with the same intense pain. Then I remembered the oil, and the contents of the Sunday message concerning the Word of God. I anointed my body with the oil as I spoke concerning the Power of God's Word. Here I am, seated her at my desk because all the pain left my body at once. All the Glory belongs to God!
