Hebrews (N.T. Wright For Everyone Bible Study Guides)

Synopsis

For many Jewish Christians of the first century, living in the light of the gospel was challenging. Having accepted Jesus as the long-awaited Messiah, they were regarded by still-skeptical family, friends and neighbors as dangerous, misguided and even disloyal to all that God had said earlier on. The letter to the Hebrews was written to show that you can't go back to an earlier stage of God's purposes but must press on eagerly to the one that is yet to come. In these studies by Tom Wright we find encouragement and assurance that pressing on, even in the face of such close and constant pressure to fall back, is its own reward.

Customer Reviews

This is just a really helpful commentary on this New Testament book that is rather hard to understand. The author will give the reader great help in understanding both the background and context to the whole book as well as the individual chapters and sections within the chapters. I highly recommend it to those who want a simple and readable study. GMM

I have used several of these study guides with a person confined to prison. Since he has no support group, per se, and no Bible Study group, he has found all of the Everyone Bible Study Guides, quite helpful.

This is a good study guide. NT Wright does a good job stepping you through the book.

Unfortunately the questions tend to be a little leading and generic. It could be a little more thought provoking.

I am doing this study with 11 other women. It is the perfect amount of material to get an engaging, thoughtful discussion going. Not too much to feel overwhelming to women but enough to dig into the content.

Easy to read & insightful.

VERY HAPPY WITH PURCHASE
