Mila McFarlan was raped by Matt Biddle and she has had a baby girl while he is in prison. Matt has tried to force himself on a few other women in the town of Hope. He has escaped prison again and is said to be coming for his daughter. Jason loves Amelia and her mother Mila and wants to marry her, but Mila even though she loves Jason turned him down. One day a woman shows up claiming to be Matt's mother and she is demanding to take Amelia away from Mila. She starts up the stairs to get her when she is stopped by a few people one of them being Jason and she attacks him with a knife. This is the thing that brought her two brothers and their wives to apologize to Mila for the way they treated her when she became pregnant the town is also decided with their feelings with Milo and the baby.

This book earned my five-star rating. Mila has a baby girl after being attacked by a guy who keeps breaking out of jail. He wants the baby...but there are a lot of people who will protect her. The drifter is one of them.

Thank you for another great book, I have read all your books wouldn't miss any of them.

Another wonderful book about love, adversity and how with God's help and the love of her friends and family our bride got through her own personal terror.

Cute story as always from these authors! Great characters with full details. Recommend to all readers of Mail Order bride stories. I truly enjoyed it!
