KING JAMES BIBLE King James Bible is its most famous translation. Translated by 47 scholars and completed in 1611, the King James Bible was the most influential book in the world. This Bible containing the Old and New Testaments Translated out of the Original Tongues and with the Former Translations Diligently Compared & Revised Set forth in 1611 and commonly known as the King James Version. Features included:

- a) Direct Verse Jump
- b) Each every word cross-referenced to Strong's dictionary
- c) Search every verse anywhere from this book
- d) Every verse labeled with chapter name and verse no.
- e) Every verse cross-referenced to the chapter heading
- f) Each bible chapter have more subheadings created in this edition.

Strong's Concordances In this edition, we created concordance for each and every strong's numbers which are cross referenced in the bible, each strong no. having one or more important headwords, from there each headword having corresponding more bible verse links cross referenced to the bible (**MORE THAN 1 MILLION LINKS**). **Hebrew & Greek Dictionary:** All the original words are treated in their alphabetical Hebrew order, and are numbered regularly from the first to the last, each being known throughout by its appropriate number. This renders reference easy without recourse to the Hebrew characters and Immediately after each word is given its exact equivalent in English letters, according to the system of transliteration laid down in the scheme here following, which is substantially that adopted in the Common English Version, only more consistently and uniformly carried out; so that the word could be readily be turned back again into Hebrew from the form thus given it. Every word of the Bible is directly linked to the Hebrew and Greek dictionaries and at the end of dictionary entry link have been created for Hebrew & Greek Concordance so reader can get in-depth meaning for the particular word. **Bible Word Index:** In this Edition we newly created "bible word index" its contains all the bible words are arranged in alphabetical order, those words are cross referenced to strong's dictionary. It's very easy to use and even if the reader don't need to know about Hebrew & Greek Scripts, they can easily access this dictionary using common bible word index.

Customer Reviews

I am pleased to give five stars to a resource that contains all the features I find useful in a light, compact, and comprehensive companion for Hebrew and Greek Bible reading, as far as is possible on a basic Kindle e-reader. The similar titles I purchased and used before this one became available had serious flaws, such as poor navigation, missing entries, and/or more-or-less sloppy layout. There are other titles that specialize in only the New Testament, which have similar convenient navigation and features, and these made me wish for a resource like this one. Here are some important points to note:- This not only contains a neatly arranged electronic edition of James Strong's original work (a classic, though with its limitations), but also the entries from the so-called "Enhanced Strong's Lexicon" (by Woodside Bible Fellowship of Ontario) that appears in many Bible software suites, often under other elusive names, but with the same entries. These glosses/definitions are drawn from sources more recent and comprehensive sources than that of Strong's (Brown-Driver-Briggs and Thayer, with improvements). Combined with the convenience of Strong's concordance, this is definitely an upgrade over a printed concordance, once you are comfortable with Kindle navigation.- I find it very easy and convenient to navigate, at least on my

Kindle. I am able to navigate between books, chapters, and verses as easily as I can on any other well-designed resource. (It could be, too, that I am using an up-to-date edition of the resource).- This is not just for people who prefer the King James Version over other translations, or vice versa.
