## **Customer Reviews**

The story is developing very nicely. If you have watched their anime , this manga extends beyond the end of the anime and it answers so many questions.I am hoping they will make these manga into anime...

This series is really good and captivating! There is so much to the story and it keeps you guessing the whole time! Volume 20 gives a lot more of the story and answers a lot of questions!

I love the art in these; the shading and line weight is fantastic, though some of the pages can look a little cluttered, due to the shading style.Text-heavy sections are well-divided, and the plot is fairly

interesting (NO SPOILERS BWAHAHAHAHAHAHAHA).Smooth dialogue and great variation in character design.If you seek hairy pits, this is not the series for you.

thank you so much and i recommend it a lot, you should buy it quickly you are going to enjoy it

love this series
