Wise Up: Ten-Minute Family Devotions In Proverbs

Synopsis

Every parent wants to see their children make good choices, grow in wisdom, and learn how to live a God-honoring life. But Christian parents know that teaching good morals isn't enough. Kids (and adults) need gospel power in order to *wise up*! • *Wise Up*, the newest family devotional from best-selling children's author and family pastor, Marty Machowski, will help make learning the truths of Proverbs fun and memorable for first- to sixth-grade kids as it points them to the true wisdom that is only found in Christ. Like his acclaimed *Long Story Short* and *Old Story New* devotionals, *Wise Up* offers families an easy-to-use, gospel-focused resource that can be successfully completed in just ten minutes a day, five days per week. Each session features Bible reading, discussion questions, a fun activity, and a song to make the study memorable for everyone in the family. In twelve short weeks, you can walk your entire family through the book of Proverbs, keeping them focused on the gospel the whole time. Unlike some other kids resources on Proverbs, *Wise Up* is not a study on good morals. Machowski examines Proverbs from a biblical-theological perspective—avoiding the dangers of moralism while still teaching gospel-motivated good choices. Each wisdom theme in *Wise Up* is carefully and repeatedly connected to the good news of Jesus's life, death, resurrection, and coming return. Ultimately, the goal of this family devotional is to present the wisdom of Solomon against the backdrop of the gospel to show children that real wisdom comes only as we depend on Jesus for daily help and forgiveness. As a result, *Wise Up* moves families beyond the practical wisdom of Proverbs, to connect the teaching of Solomon to God's larger story of salvation. A corresponding music CD, *Walking with the Wise*, helps families remember and reflect on these truths and is available from Sovereign Grace Music.
