## **Customer Reviews**

The story is a great follow-up to "Billy the Kid" and definitely ranks right on top amongst the best Lucky Lukes. One odd thing about this particular book, though, which is why I give it only 4 stars instead of 5: This is the only one out of about 30 Lucky Luke comics from the same publisher that my son owns that started falling apart, with pages coming loose. Wrote to the publisher, promptly received a new copy straight from Europe - and that one as well started falling apart. Strange.

Very fun fictional stuff with a bit of historic information on real Western history to boot. Highly recommended for young people.

Good Lucky Luke story. Bought this one for my nephew.

All the boys love the Lucky Luke adventures.
