Customer Reviews

This book is a great take on Jack and the Beanstalk. I love books like these that are a variation on classic tales and this is a good one for Jack and the Beanstalk. Set in the Texas environment, it introduces my 4s & 5s to the things that are indigenous to Texas, like cowboy hats, cowboy boots, cactus, etc. If you're looking for an entertaining book that's both educational and informational that young children will love, then this is the book for you, your child, your classroom.

This is a really cute book. It is a new twist on an old story. Most kids know about Jack and the Beanstalk. My kids love Waynetta and the cornstalk. I purchased it used in excellent condition. I

would definitely purchase from this seller again.

This is a wonderful western twist on the Jack and the Beanstalk tale. Waynetta is a spunky heroine who doesn't let a cranky giant keep her from saving the family farm. The text flows easily and just when you think the giant will do his traditional "Fe Fi Fo Fum" chant, the author tweaks it to fit this version of the story. Sure to be enjoyed!

I bought this book for my kindergarten class to teach the Texas unit. The kiddoes loved it! Super cute story. :)
