A, B, See The Beatles!: A Children's ABC Book

Synopsis

Arguably the most influential band in history, the Beatles shaped an era and were the soundtrack of a generation. What better way to celebrate their influence than with a book that can be shared with the youngest generation of all?

Customer Reviews

This is an absolutely enchanting, magical book for young and old but definitely a MUST for all Beatle fans. The illustration is beautiful and the writing fits perfectly. Definitely a perfect addition to your child's library as well as your own. A great way for Grandparents to start their little ones on the Beatle Fan road also! Well done Mrs. Davis!!!

As a long time Beatle fan this book is fantastic for little ones as well as adults. Each page has beautiful illustrations that depict the most well loved and favorite Beatle songs. This book is a must for Beatle fans of all ages!

This book is awesome! my 3&1/2yo daughter is a huge Beatles fan and has memorized the entire book already! I was hesitant to buy because she has known her ABCs for quite some time now, but it was nice to have the ABCs relate and associate to her favorite band!
