I love this coloring book. Our parish is so large that we arrive at least 40 minutes early to get a seat and pray. My young daughters, 5 and 9, color in it before Mass begins. I love it because they get to think about the Mysteries of the Rosary as they color. When they color in their books it always provokes discussion and thoughts about Jesus' life. You can buy this book for every age- even adults. It makes a great gift.

Beautiful line illustrations. Great for homeschool or religious education for kids.

This coloring book is absolutely beautiful. I portrays the mysteries of the Rosary so well. I use it for my younger kids to color during Mass. I have bought two of these books, and will repurchase, again, when we run low.

Beautiful. Helps us to study the mysteries of the rosary, among some scenery like those in church with antique stained glass

This is a great coloring book! The pictures are very beautiful and it is a great way for kids to learn about the rosary.
