Synopsis

There is an easy way to stop sinning and break away from addictions. A lot of Christians deal with stopping sin wrongly. They try to deal with the action of sin when they should be dealing with where sin and addictions are born in their lives. Dealing with the action of sin and addiction is difficult as many will attest but making sure it is not even conceived or born is easy. In this book, you will learn how to deal with sin and addiction effortlessly.

Customer Reviews

This book helped me greatly. It is basically the salvation scriptures laid out very simply but thoroughly. It both explained and reinforced them in an easy to understand fashion. I found it to be a great reminder of my true relationship with God. I feel like a weight has been lifted off my shoulders.

I enjoyed the blessings of this quick read. A reminder of my freedom in Christ. Lest we forget the awesome gift that has been given.

This author is completely irresponsible in handling the Scriptures, and is oblivious to the history of Christian experience.

Good book. I recommend it for Christians who struggle in accepting the grace of God concerning our sins

Such a great book for anyone struggling with moral weakness.
