Every Day With God: A Child's Daily Bible (Selections From The International Children's Bible)

Synopsis

This children's Bible is not just another adult version with children's illustrations added, or a children's story book, but a volume of easy to read Bible passages from an acclaimed translation especially designed for kids.

Customer Reviews

What makes this book better than the traditional Bible story books is that it uses actual Bible passages. That way kids get used to reading the Bible. The translation is easy for kids to understand, and it's about the right length for a child to read every night. It's perfect for a parent to read to a child aged 5-7, and for a child 8-10 to read independently. Some of the drawings are a bit old-fashioned, but in all it's a great resource for getting children into the Word of God.

This book makes a wonderful reader for ages 7-12. This is not a story Bible, but actual Bible verses especially translated for younger readers, also known as the International Children's Bible. Because this Bible was intended for children to read independently, certain inappropriate Bible passages are not included. Readings are given for a five day week and for fifty-two weeks. Each day includes the scripture reading, a color illustration, a brief synopsis of the reading, a suggested prayer, a suggested memory verse, and a black and white photograph of a child.

I have used this Bible with early readers for over 10 years of teaching K-3 and have recommended it to many parents. It is a "real " Bible that goes from Genesis to Revelation, but in a format that emergent readers can understand. I love to see their enthusiasm as they incorporate reading skills and Bible . It is a wonderful investment.

This is the perfect devotional for my 5-yr-old daughter. She actually asks if we can read her bible every morning! I love the weekly memory verses! The only down-side is that it is only Monday-Friday devotionals; she doesn't quite understand the "weekly" concept yet. But starting school in the fall should help that :)

This is a great book for adolescents. The daily devotions are short enough to keep their attention, and sends a message that they can apply to their everyday lives without being preachy. Each daily devotion gives an accurate and precise story of the Bible. It's a great tool for children to learn about the Word of God in a manner that they can understand and relate to. Great book.
