Synopsis

For Christians facing ridicule in a pagan world, it was difficult to focus on their âœliving hope.â • Peter wrote to remind these hard-pressed Christians of their rich identities in Christ and to encourage them to face their sufferings with Christlike character. The 13 lessons of this Bible study on 1 Peter examine Peterâ™s heartfelt challenge to practical Christianity. If using in a group, personal study is needed between meetings. Study aids and discussion questions included.

Customer Reviews

I highly recommend this study and all of the life change studies. The studies are deep and challenging but not hard to do on your own or in a group. I love the historical info which really sheds a lot of light on the teachings.

I love this Lifechange series. This is my second one, and the questions are very helpful for pointing me to apply scripture. Very conducive to small group studies also.

I have really enjoyed and grown from this study with my small group.
