Sure I Believe! - So What?

Synopsis

No matter how enthusiastically we embrace doctrinal teaching it has no real power unless accompanied by action. James Boice tackles key areas of conflict in the Christian's life - avoiding hypocrisy, guarding our tongues using our wealth appropriately, perseverance. If you really believe then it will show in your life. James is a practical book, too practical in dealing with our own shortcomings, errors and sins! And it is so direct that we cannot easily dismiss or escape from James' teaching. Prepare to be challenged!

Customer Reviews

Love it. Fantastic Book - Typically great Boice book.

The book section written by James Boice is very good. However, the questions in the back of this book are all messed up. It's obvious that it was not edited. The questions don't coincide with the chapters and some sets of questions are repeated. We ordered 11 of these books and are trying to get a refund from the distributor, but, have not been able to yet. We are very disappointed.
