Back In Time: A Historic Western Time Travel Romance (An Oregon Trail Time Travel Romance Book 3)

Synopsis

The Thornton car was washed down a creek during a flash flood near Independence, Missouri. Their only child, a seventeen year old daughter was still clinging to the top of the car when they last saw her. After an air, land, and water search for four days without a trace, the search was abandoned. Allie and Barry Thornton learn their missing daughter was transported back in time one hundred and fifty years to 1866. A research team at the most prestigious university in the country, offered them the opportunity to join her and her family. Do they dare take the risk? Can Barry survive what appears to be an impending heart attack or stroke? Is their sense of family strong enough for them to risk their lives? Would you?

Customer Reviews

Another amazing story of Thornton's and Lewis's and the wonderful story telling abilities of Susan Leigh Carlton. This story will make you laugh and cry. If you read Angie and the Farmer, you will most certainly want to read this book. Totally brings the story full circle! Ending with a big smile. Thank you! 'TM 'TM 'TM

Another great book by Susan. I love how she would weave the first book and this one into a very exciting heart moving adventure! I often wonder where Susan gets her incredible ideas for stories! This one will not disappoint that's for sure! I loved it! Read it from start to finish.

I enjoyed the book very much also Susans explanation of the science of time travel, wormhole's and black holes was exciting. I enjoy the idea of being able to go back and see family you never met, I especially love to read 1800's western romance and Susan delivers that beautifully in her stories. Thank you for your wonderful stories, need another time travel book.

This is a wonderfully written time travel romance. I have not read the first two books, but I will now! I don't feel that it has hindered anything by reading them out of order. I would recommend this to anyone who loves time travel romance!

Wonderful second book. First book Angie n the Farmer time travel this second book her parents thru a series of investigation knows their daughter time travel. Hopefully there is another book about the good doctor.
