## Customer Reviews

Meet the ultimate odd couple. Thane Jordan who is a rugged, primitive, bachelor cowboy running a

vast ranch in the wilds of northeastern Oregon and....Lady Jemma Bryan, English to a fault, beautiful, prim, proper, and fiercely independent. It is the late 1800's and Thane journeys all the way to England to settle the estate of his late brother, whom he had not seen since he struck out for the wild west. He is blind-sided by the discovery of his brother's two young children and their guardian, Lady Jemma. The unusual stipulations of the will mandates him to become their new guardian. Being strangely left out of his brother Henry's will and wealth, Lady Jemma's future looks bleak. In order to keep the three of them together and protect Lady Jemma's reputation, Thane reluctantly weds her and swears to keep it a marriage-in-name-only. Thus begins the adventure of returning across the ocean and clear across the American continent with tons of Jemma's trunks, horses, a dog and two excited children. The author knows best how to make a good story better with the warmth and charm of two delightful orphan children: solemn 9-year old Jack and exuberant 3-year old Lily. The "approach/avoidance" budding romance between Thane and Jemma is entertainment at its best as both of them attempt to settle into a routine while desperately trying to maintain their unconsummated marriage vow. The personalities of each partner are lovingly unfolded like the petals of a flower as each discovers the sterling qualities in the other. Aided by a cast of colorful side characters and the descriptions of the bleak and beautiful land surrounding historic Baker City, Oregon, this sweet, clean western romance is overflowing with great humor, emotional warmth and romantic longing.
