## **Customer Reviews**

It was love at 1st sight for Two shy people wanting to find love in a town called hope. They find an

abandoned baby and after a careful search they find the mother then they get back to finding each other.

Elva Chance wants to be happily married like her sister June and their friends. Her friends and sister married the McFarlan brothers and were happy and having babies. She has loved Derek Henry but he is so shy he does not talk and she needs to break through even thou she is very shy herself. He finds an infant in the back of his father's barber shop and takes it to Lily McFarlan. It so happens that Elva is there and something happens between them. Read this sweet story of two people who are so shy it is cute.

Really good read. I was given this book today and I have already read it. I love the books in this series. I tried to decide my favorite and it is hard to say one is better than any other book in this series. They are all great. I enjoyed the mystery of the baby left at the barber shop.

Oh what a super story. A wonderful addition to A Town Called Hope. Elva and Derek's story made me sad and happy at the same time. Highly recommend. I received a copy in exchange for an honest review.
