The Mystical City Of God, Volume I "The Conception": The Divine History And Life Of The Virgin Mother Of God (Volumes 1 To 4) (Volume 1)

Synopsis

THE MYSTICAL CITY OF GOD, VOLUME I "THE CONCEPTION": THE DIVINE HISTORY AND LIFE OF THE VIRGIN MOTHER OF GOD VENERABLE MARY OF AGREDA The Mystical City of God is a monumental four-volume history of the life of the Blessed Virgin Mary, as revealed by Our Lady to Venerable Mother Mary of Jesus of Agreda (1602â "1665), a 17th century Spanish nun. Venerable Mary saw in ecstasy all the events recorded within the books. Later, Our Lady told her to write them downâ "the result is The Mystical City of God, acclaimed by Popes, cardinals and theologians, a book which has inspired the laity and the clergy for over 300 years and which has gone into sixty editions in various languages. Arguably, the most important bookâ "second only to the Bibleâ "ever to have been written. The Mystical City of God, revealed to Mother Mary of Jesus by Heaven itself, complements and completes the story of the life of Our Lord and Savior Jesus Christ but, in addition, provides the rich history of the entire life of His Most Blessed Mother. Through the study of Our Lady, we come to know Her, Her Son and the Blessed Trinity in ways never before imagined. The Mystical City of God consists of 4 volumes; The Conception, The Incarnation, The Transfixion and The Coronation. This is the unabridged Volume I, â œThe Conceptionâ •, containing Books 1 and 2. Volume I, the first book in the series was a little hard to get into. Subsequent volumes are excellent and much easier to read; or perhaps I've just gotten into the flow, style of the writing. I listen to the books on my kindle just before retiring. Must say, one is transported into the lives of Jesus, Mary and the apostles via this series.

It is not a book to zip through. It encourages much thought about my own actions. Mary, though the mother of God, did not have an easy life. It is common to think that she had everything and not many difficulties because of who she was. If she trusted in God through all her difficulties, then maybe I should, too. We all want to have a life of comfort and ease, and that is not what she wanted. I'm looking forward to getting into the next book revealing more about her life. This first book covers from her conception to the visit by the archangel Gabriel at the annunciation to a 16th Century nun, Mary of Agreda. (please sign it ej)

A must read for anyone of significant Christian faith. It is considered the greatest literary treasure of Spain. There are three other volumes after you finish this first one (2500 pages total).

Very Good. I'm awaiting Volume IV The Coronation. This is much much cheaper compared to the other version of another publisher here, plus the other one has many typographical errors.
