Audrey's Tree House

Synopsis

Audrey is bigger than she was yesterday. Now she needs a bigger house. So she tells her dad to build her one. Audrey is bigger than she was yesterday. Now she needs a bigger house. So she tells her dad to build her one. At the top of a tree. It is an ideal house. It has a bathtub for snorkeling, a place to drink tea, and somewhere to hide the dirty cups. The house is perfect in every way. Except for one thing ... This humorous story explores the clash between a quest for independence and the longing for security. Emerging author Jenny Hughes and acclaimed illustrator Jonathan Bentley have created a picture book with outstanding warmth, sensitivity, and insight.

Book Information

Hardcover: 32 pages

Publisher: Scholastic Press (April 28, 2015)

Age Range: 3 - 5 years

Grade Level: Preschool - Kindergarten

Customer Reviews

Lovely, loopy story with a beautiful demonstration of good (and also single) parenting. If you ignore that the tree house built would have taken many days to complete and cost a fortune, the daddy in this story gives his daughter freedom, without curtailing her adventures because of his fears, while also then happily welcoming her back inside with open arms when she suddenly wants support, free of any teasing. Enjoy the whimsical illustrations and trust the well-written story.
