Customer Reviews

I use this book to pick a scripture to study in depth that day, and like that I can choose by category should I want to. Nice little book. Wouldn't use it for a daily devotional, as it is truly just 1000 key scriptures,, no commentary>

I have bought many books like this over the years, and many of them just sit on my shelf. But this one is very special! I keep it in my purse and refer to it daily, both during my quiet time, and at odd moments through the day. It offers a lovely balance of scriptures and godly wisdom on a number of topics - wisdom from those who have led the way before us in the faith. I am so thankful that I found this little book!

Love it

Fast shipping, great price, and a great book. What more could you ask for?

Great read even for a man.
