Bully

Synopsis

"You used to be a mouse," said Mickey to his ex-friend Jack. "And now you've turned into a great big rat." Maybe Jack wasn't a rat, but he certainly was a bully. And he made life very uncomfortable for Mickey. Mickey's parents had some helpful ideas, but Mickey found that it was easier to talk about loving your enemies than actually to do it, and brave words were often just words. But then something happened that surprised Mickey as much as Jack. And the unexpected result was that the ex-bully was once more a friend, and Mickey had good reason to be proud of his problem-solving technique.

Customer Reviews

This is a great book to help children who are experiencing bullying problems. First, by acknowledging how painful it can be to be bullied, secondly, by helping kids find ways to work through bullying problems, and last, by helping kids understand why kids are bullies to begin with. If you have a child who is plagued with problems arising from bullies, I would recommend this book, which is sure to encourage dialogue and problem solving discussions. DeeDee Fox, author and illustrator, The Ruby Red Slippers
