Customer Reviews

The font size in this Bible is very, very small (perhaps 5 pt). Compared to the letters in a typical 3rd graders school text book, the letters are about 1/3 the size. Otherwise, the quality of cover is very good, the size of the book is good, the Good News Translation is good for middle school students and is a translation and not a simplified paraphrase. I would recommend this for older students, such as high school or junior high school, who want a very compact and good looking, sturdy new testament. I would give this bible 5 stars for older students.
