A thoughtful meditation on Psalm 46 by one of New Thought's greatest leaders. Fox's style is down-to-earth but compelling. A short, easy and uplifting read.

Although this author has written decades ago, he is timeless in his message to mankind. This will help you and bring the truth of life which you can apply in today's world.

This book provides a clear and concise understanding of the most important phrases in the Bible. Emmet FOX is truly refreshing.

I have a better understanding of this wonderful psalm which strengthens me. Short, easy read which reaches depths. Thank you.

A moving testimony on Psalm 46. I have every intention of reading this again. His interpretation of

the Psalm has made me think more about what is being said, and how I can better align my own thinking when praying.

Timely the general message of Being Still and Trusting God was helpful. So it was good to read and learn from

The message is clear to anyone who finds themselves in the midst of chaos. This message cleans out any spiritual closet that has become cluttered with information along the journey of the seven spiritual paths or holy sacraments.

One of my favorite spiritual treatments/affirmations for anxiety and fear. He takes us step by step through the 46th Psalm explaining the plain meaning of the beautiful verses in a positive and uplifting way. I can read it over and over.
