Diary Of A 6th Grade Ninja 6: Buchanan Bandits! (a Hilarious Adventure For Children Ages 9-12)

Synopsis

Chase Cooper here, and this is my sixth diary as a 6th grade ninja. As always, there's trouble brewing in the halls of Buchanan School. A bandit is on the loose who's stealing from innocent students, and as each day passes, the bandit's reach grows even further. As if the situation wasn't bonkers enough, help has come in the unlikeliest of places - Wyatt. But I have sick feeling in my stomach about the whole mystery, like something far worse is going on than anybody realizes. If I had known this was going to blow the lid off the craziest scheme this school has ever seen, then I might've stayed home in bed... Nah, who am I kidding? Staying out of trouble isn't exactly something I'm good at doing. Buckle up, kiddos, because this is going to be one heck of a bumpy ride. *Diary of a 6th Grade Ninja 6: Buchanan Bandits!* is a hilarious adventure that's entertaining for children ages 9-12, middle school students, and adults (who secretly never grew up)! Written by Marcus Emerson and Noah Child.

This is one of the best books I ever read. In my top 5! I want to read it again. Funny and happy. It

made me LOL. If you don't like these types of books, read it for the LOLa. It is just plain amazing. I loved them as a kid. - Ethan 9 years

My 10 yo godson dived into the entire Ninja series with great gusto. His reading ability has been assessed at age 13-14, but he was very taken with the story of a boy his own age. It motivated him to get away from Minecraft video games and into another venue disappearing all too fast: printed ink on paper fueling imagination. Cudos to Emerson for keeping this alive. :)

Trying to find the right books that could get my son interested in reading was hard, until I came across this series and the War series (Lunch Room, Snow Ball, etc). Now I have to tell him to stop reading and do his chores...but I do love the fact that he's an avid reader now (:

I am 8 years old and I just finished this book. I really liked it because there were mysteries and ninjas. My favorite characters are Chase, Braden, and Wyatt. I especially liked the part where Chase found the door to the scavenger's hideout. Marcus Emerson is my favorite author next to Dr. Seuss. This book series was very exciting and fun to read.

I was looking for a good book to read with my son when we stumbled across this series. We have read 5 of the 6 books (we are in the middle of book 6 and they are great). They have a good story line and keep my son interested. The books are well written and my son can easily read them as a 3rd grader.

I bought the first six books in this series and am now ordering the other two. My grandson and I

have thoroughly enjoyed reading these books. I highly recommend them. He is a six grader this year and related to a lot of the antics of the characters. We shared a lot of laughs.
