Customer Reviews

I ordered 2 pieces of this KJV Bible for my friend's birthday gift. I love the it's embroidered/emboss cover and and all of it!!! Very neat and elegant for girls like me! Thanks ! See actual photos below..

Beautifully made & durable! It features the Old & New Testament. It has a 1 year reading guide you can follow. The maps are on the inside of the front & back cover pages. The words are easy to see & the pages are very strong, so no need to worry about tearing the pages when you turn them. I just wish it had foiled edges. It shipped fast and was here a day before the expected delivery date! I definitely recommend this bible! I own two of them!

I bought this for my daughter, and she loves it. The material used for the outside is very soft and

flexible. A +

Not true to picture, very disappointing

This Bible is awesome! I had been searching for a PINK Bible for a while now and I came across this one. The look and feel is amazing. No stitching but that's ok and even though the font is small and should be added to the description it is still a terrific Bible. I love the fact that each chapter in each book tells what the story is about. Simply love it!!!

This version of the KJV Bible is very pretty. I appreciate the colour and embossed design. I like the size. I have a smaller bible but sometimes I prefer to have something larger but not too large when I am travelling. The pages are thick which means that they would not get torn very easily. The words of Jesus Christ are listed in red. Several key verses are listed on one of the pages in the back of the Bible and I like this. Other quick reference tools include, a listing of twenty-five sayings of Jesus accompanied by scriptural references; and a list of the various titles of God, Jesus Christ and the Holy Spirit. I also really like the brief details about each book that are listed. I was disappointed that this Bible did not have references printed alongside the verses. I thought that it would have this feature and I am only now adjusting. It is my own fault though for not doing thorough research about it prior to making my purchase. I would have preferred a Bible with reference verses in the general text but the quick reference tools in the back of the book are very helpful.

This is a very nice Bible. It also has in the back a lot of info ex; key verses from each book, timeline of important bible events, a Read-Through-The-Bible in a yr plan plus a lot more. The cover is really soft, The words are small but besides that, it's a very nice Bible. I would definitely recommend this Bible!

THE PRINT IS A LITTLE SMALL, I WEAR READING GLASSES ANYWAY BUT, IT IS GORGEOUS. THE TEXTURE FEELS ALMOST LIKE ITS SUEDE, I LOVE IT!!!
