I love this book! I take it to work and read a few chapters at my desk before my shift. You will not regret getting this prayer book. It is a book based on prayers laced in scripture. If you are a prayer warrior, you will love this book. I love it, and have three copies.

i have just started getting into prayer books, this one is small, but a wealth of information, i really love this book, great prayers and reading to increase faith and put great prayers out to God
