This is perfect. I had trouble finding a bible cover that would work for my Life Applications Study Bible. It is a large bible. I tried two others and they were too tight. This sturdy leather cover has a large metal pull on the zipper that makes it easy to zip and unzip. Ther are four pockets on the inside front flap. Two medium sized and two very small ones. Notebook paper folded in half would go in the larger ones as well as a pen or pencil. The smaller ones work well for my extra bookmarks. Nice to finally find a cover to fit my bible.

The quality of this bible cover is fine. The size is not big enough for the Thompson Chain Reference Bible in large print. I wish this had been stated in the description of this cover before I made my purchase. It states it is extra large, but in fact it is not.

I also bought this cover for the Life Application Study Bible, and it worked great. You may want to check out [...] for a picture and a better price.

My husband wanted a black leather bible cover. This is good quality and well made. It should last

him several years. I measured his bible before I ordered since others said this ran on the small side. It was a perfect fit! The description & measurements are accurate. Very happy with this purchase.

VERY pleased with these covers. I bought us oversized bibles with three side by side versions of the scriptures. Every cover that I looked at was not rated to hold a wide bible. I ordered these even though I found them at the last minute and they only seemed to be sold on through some third party. Because of this I was hesitant. But I couldn't be more pleased - these covers are awesome. Well made, durable, and really nice to use. Definitely would recommend

I bought this for my dad for Father's Day with a Life Application Bible. It fit perfectly and it's a large bible. The leather has a great texture, good quality that will last. My only negative comment was it took a long time to receive after it shipped; I was scared it wouldn't make it here in time.

Perfect for my hardcover Catholic Study Bible. Big book, but it fit perfectly with a bit of room to spare. Excellent quality. Pockets on inside cover for prayer cards, etc. Highly recommended.

It is a great bible cover with a good quality of leather, but it is not big enough for been extra large size. Unfortunately I have to keep looking for a bible cover that can be enough big for my large print bible study.
