Shi-shi-etko

Synopsis

Shi-shi-etko just has four days until she will have to leave her family and everything she knows to attend residential school. She spends her last precious days at home treasuring and appreciating the beauty of her world – the dancing sunlight, the tall grass, each shiny rock, the tadpoles in the creek, her grandfather’s paddle song. Her mother, father, and grandmother, each in turn, share valuable teachings that they want her to remember. Shi-shi-etko carefully gathers her memories for safekeeping. LaFave’s richly hued illustrations complement Campbell’s gently moving and poetic account of a child who finds solace around her, even though she is on the verge of great loss – a loss that native people have endured for generations because of Canada’s residential schools system.

Book Information

Hardcover: 32 pages

Publisher: Groundwood Books (August 9, 2005)

Language: English

ISBN-10: 0888996594

ISBN-13: 978-0888996596

Grade Level: Preschool - 2

Customer Reviews

I got this book to introduce my little one to the injustices visited upon the First Nations people, but also to share some of the beauty of that culture. It is beautifully written, and completely appropriate for kids as young as six, I would say.

Grandeess like this book - over and over!
