Reviews "immensely enjoyable" • "ForeWord Clarion Reviews "for children who enjoy lingering over pages full of magical creatures and whimsical details [...] told in simple and engaging words and imaginative pictures." • "Kirkus Reviews "a fantastic book that has enchanted me" • "Customer Review "We are in love with this book! [...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!" • "Customer Review "Written in a very simple way but with a profound message for both adults and kids." • "Customer Review "I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!" • "ESLCarissa.blogspot.com "readers will emerge from this book feeling slightly more confident about themselves • "whatever their size." • "ForeWord Clarion Reviews Tags: Bilingual Children's Books, Bilingual Books, Emergent Bilingual, Bilingual Education, Foreign Language Learning, ESL, English as a Second Language, ESL for Children, ESL for Kids, ESL Teaching Materials, EFL, English as a Foreign Language, EFL Books, EFL for Children, ELL, English Language Learner, EAL, English as an Additional Language, Children's Picture Book, Dual Language, Foreign Language Study, ESOL, English for Speakers of Other Languages

## Customer Reviews

Very pretty, but there is no story. Don't buy if you don't want to make up your own story for each page. It's the story of a girl asking her size in relation to random things of various sizes. Who is she speaking to? That for the author to know and you to make up.

My daughter who is small for her age seems to like this story. I like that it is in both Russian and English so she can hear and enjoy the story in both languages. I wish there were more books published this way in two languages.

Short book, but good message for kids and nice to have translation immediately next to it. Vocabulary is small in scope though and not necessarily basic. I was hoping to find something with more length and teaching applicability.

very few words but great illustrations. wish it was a board book or something more durable than just paper cover

Love this book, really gorgeous illustrations and my husband speaks Russian and says the translation is correct. Very pleased, would recommend!!

I like the format, and the way it is displayed, pictures and words. Would recommend writing more of these books to learn Russian. Thank you.

I love this book so much. My kids love it and the art is wonderful. :) I wish there were many more similar

We have this book on the Kindle and I just love the illustrations! Now that we live in Germany we will also buy this book in German.
