Customer Reviews

This book features kid-friendly (bright and not too cluttered) illustrations and softly humorous text. Each of the 40 pages (divided into three short chapters) has pictures and just a few sentences, making this a great beginning reader's book or a fun story for adults to read out loud. There is a nice message about variety: Mudge meets and enjoys other dogs; the snowman contest features many different snowman ideas and decorations... Light and simple, but done very well.

Bought four of these for my grandson for Christmas. He is seven and LOVES the Henry and Mudge series. Great beginner chapter books for boys and girls!

I love all the HENRY AND MUDGE books. This one is for our five year old beginning reader granddaughter. Enjoy! Collect!

My 7 year old loves to read Henry & Mudge. This book doesn't disappoint.

The Henry and Mudge series is a set of delightful adventures for young readers. My son was a big fan of Cynthia Rylant's work when he was learning to read and I have now started a collection for my therapy dog's "Reading to Rover" book bag. Henry and Mudge and the Snowman Plan delivers Kid-N-Pet snow-day adventures with colorful illustrations.

My daughter borrowed this book from her teacher and lost it. Bought this to replace it. Good price. It's a book, so I mean..... it came with all the pages in the right order. That's a good thing.

Love Henry and Mudge - another Cynthia Rylant series. Very entertaining stories with great underlying message. I've never known a child that doesn't like these stories.

Henry and Mudge is a great series for young readers and parents! Amusing and interesting. Great to spark a love of reading! Highly recommend!
