A Walk In Eden: A Colouring Book By Anders Nilsen

Synopsis

Traverse a lush and abandoned Eden, escaping the everyday for a world waiting to come to life. A keen observer of the natural world and the mystical treasures contained within, Anders Nilsen uses lush, inky lines to craft an enchanting, meditative journey for your coloring tools. *A Walk in Eden* is a fantastical view of primeval creation, with an exquisite mix of sprawling landscapes and close-up examinations of plants, fungi, and minerals--think giant crystal formations emerging out of pools surrounded by lush vegetation and flowers the size of small trees. Though this is a world void of humans, here and there are small reminders of our presence. Informed by the designs of Ernst Haeckel and other early scientific and botanical illustration, Nilsen's world is intricate, playful, and inspired, waiting for you to make it your own. With 80+ full-page drawings, Nilsen invites you to join in the fun and bring the adult- and kid-friendly world of *A Walk in Eden* to life.
