Customer Reviews

This book gives a wonderful vision for the new millenium when everyone can live together in harmony. Beautiful illustrations and great story line combine to make this my daughter's favorite book!

Very close to the creation folk tale I heard as a child growing up in Jamaica. I like the male and female collaboration motifs in this creation story.

My kids and I enjoyed this creation story very much. I thought it was very entertaining and had wonderful, colorful illustrations.

Love this book. Great illustrations, positive message about the creation of the world.
