## Customer Reviews

Nicely written. These stories are great. The adventures are just so interesting and so captivating. Can't wait to see what is next in this great series. Great work with this one.

I have been reading many of the Pokeman series of this kind. I just enjoy the way they are written. It makes both kids and grown ups understand the adventure in them.

Adventurous and entertaining are 2 words that describes this story. I have read many Pokemon stories but this series is really one of the best
