A Child's Journey: The Christian Initiation Of Children

Synopsis

The author gives solid, practical advice for the Christian initiation of children in "A Child's Journey". People always find new challenges and questions when they adapt the "Rite of Christian Initiation of Adults" to children of catechetical age. This comprehensive book examines the special issues of initiation of children and offers practical approaches for dealing with those issues .

Customer Reviews

Good book.

This book described very specifically what initiation for children should look like. It had great examples and depth. I don't know of any other books like it. There is even a sample interview for children and their parents in the back. It was perfect for my paper.
