## **Customer Reviews**

Is one of the suggestions they came up with to make money, "Ripping off the public with a pamphlet like this one. "? Because its RIDICULOUS! A few pages of what pretends to be deep thought of someone having a revelation that they do not explain how to implement! This book isn't worth 99¢, its NOT worth anything. I wondered about this new "series" of this person. I thought was supposed to do better checking of their books now, it's bad enough to have something 3 pages call themselves a "book" but even WORSE when it sucks as bad as this! Don't waste your money or your time as little as both are on this!

This was not worth the ninety nine cents I paid for it.

Almost all fluff... Go buy an ice cream sundae... you will enjoy it more!
