## Customer Reviews

My daughter was struggling to get down to nap each day. I found this book one night and immediately bought it. My daughter loves animals so I thought this would be the perfect book to add to the nap time "routine". We read it frequently and it has helped get her settled for her nap each day. We talk about what animal will she sleep like today!

I bought this to go with the Giraffe theme of gifts I bought for my niece's 1st birthday. It is very cute and has pages about all animals, not just giraffes.

This book is very cute. My daughter loves for me to read it to her before nap.

Very simple read for babies. Illustrations are very nice and appropriate.

Cute book!
