Be Joyful (Philippians): Even When Things Go Wrong, You Can Have Joy (The BE Series Commentary)

Synopsis

In spite of his dire situation as a prisoner a Roman jail, Paul's letter to the church at Philippi overflows with joy. Discover Paul's secret to finding joy in Christ as Dr. Warren Wiersbe leads you on verse-by-verse tour through the book of Philippians. Take notice of Paul's single-minded focus remains on Jesus and learn how your joy can also be complete in Christ. Originally published in 1974, *Be Joyful* is part of Dr. Wiersbe's best-selling "Be" commentary series. With over 4 million volumes in print, these timeless books have provided a generation invaluable insight into the history, meaning, and context of virtually every book of the Bible. Reintroduced to a new generation of believers, this commentary now includes study questions at the end of each chapter for further reflection and application. Best-selling author, minister, and radio host, Dr. Warren Wiersbe stands among the most trusted teachers of his time. Dr. Wiersbe's ability to instruct both new believers as well as Bible scholars sets his work apart from any other commentary series.

Customer Reviews

Warren Wiersbe is one of the great Bible teachers of all time. He interprets and applies the truth on a popular level without compromising depth. *Be Joyful*, his commentary on Philippians, is his best work in my opinion. He reveals the four thieves of joy (one for each chapter of Philippians), and then counters them with the four "minds" we are to develop. Simple, clearcut, balanced, and practical. A must read.

Yes, even when there seems to be no reason for joy, when eyes see only tears and knees burn from kneeling so long. Alas this brings you right back on course. What a wise man WWW is, again one of my favorite authors. His use of scriptural psychology is amazing. Not a part of this book is without a connection to scripture. This book studies the book of Philippians as I have yet to see another author accomplish in clear easy to understand points. As written in his book...."Worry is actually wrong thinking (the mind) and wrong feeling (the heart) about circumstances, people and things." Phil 4.Ck it out, you wont want to put it down

Warren Wiersbe is an excellent teacher, whether it be written in a study or listening to him. The book "Be Joyful" is not an exception to this practical, useful style of writing. He points out the absolute necessity of "having a single mind" for Christ and being absolutely submitted to His leading for our lives. I would recommend this book for individual study or group study.

I have used this book over and over again for personal study and also women's Bible studies and am now considering using it again. It has helped me so much and I feel others can benefit greatly in recognizing the joy stealers. The author is one of my favorite writers and speakers.

I'm only on chapter 4 but this is a great book for a small group study. Really down to earth and easily able to understand.

This book serves as a tremendous guide through the Book of Philippians with insight into the life of the Apostle Paul and his secrets for maintaining joy in the midst of whatever happens in life. These secrets appear as anchors within the heart of individuals to see things from God's point of view in the way of silver linings within dark clouds that may come upon anyone in life. I highly recommend this for Bible Study groups, as well as on an individual study basis. CAMooney

I highly recommend this book. It looks at Phillipians in a way that I never imagined possible. Wiersbe brings things out that you never knew were there. If you want to grow closer to God, this will definitely help you.

This is an incredible book full of rich insight into this incredible book of the Bible with SO much everyday application. Wiersbe brings this already incredible book of the Bible alive and rich with

suggetions on how to use it to allow God to transform our lives so we can have the rich abundant life He intended us to have! A must read!
