Customer Reviews

My 8 & 6 year old boys have all 3 in this series! They love them & look at them constantly. Even my 2 year old will look along. My oldest likes to read them. We couldn't wait for this 3rd one to come out. They got the other 2 for a birthday & Easter present. Keep making these!!!

My son put down his Lego build and started reading the book to his little brother when it arrived. They could not be happier! They love the story and since my son is dyslexic, I was thrilled that he is entranced by the book. The font is great. Cute story : I read it, too.

Awesome. My son and I have fully enjoyed the first 2 volumes are we are thrilled to see the guys at

Herobrine Comics are continuing to create this series. This is the best one yet. Can't wait for more!

This book was really good. I think it would be hard to find a book comic better than this. I also wonder when "Battle of the Titans" will come out.

Awesome book! I got this for my son and he is obsessed with all these Minecraft books. Way to go, Herobrine Comics. Keep 'em coming!

This book is amazing the wither attacks the village but steve goes to the end and gets help by the ender dragon but the sage and he's dad die so this book is amazing

This comic book is on Beast-Mode, okay, Beast-Mode. Buy it and enjoy it. This is the third of the series, and it just took the whole story to a grand level.

I love this comic but I've been waiting for this since January and it's really short. Now I'll have to wait for another 4 months till another one comes out
