God's Generals For Kids Volume 1: Kathryn Kuhlman

Synopsis

Roberts Liardon has established himself as a leading researcher into the lives and ministries of the great healing evangelists. His God's Generals books have been widely read around the world. This is the first book in a series that is known as God's Generals for Kids, and this one deals with Kathryn Kuhlman. This wellâwritten biography will capture the attention of children as they learn about God's power at work in the life of this great woman of God. It will inspire them to want to let God use them in whatever way He directs, and it will help them to develop a close personal relationship with Him. In her official biography by Jamie Buckingham, we find these words about Ms. Kuhlman: It is impossible to write about Kathryn Kuhlman without writing about God. Her life was not her own. In a very real way, she was a daughter of destiny. Chosen. Ordained to be His special handmaiden.

This is a wonderful series for parents and young children. We bought this book and the following books in the series as a read along with our 7 year old. Not only is she able to read and comprehend the material it is written at a mature enough level have real substance. A must recommend.

Get this book for your kids and read it yourself. Ollie's style is simple and accessible. It brings Kathryn Kuhlman's faith and ministry to life in a very powerful way that will inspire readers of all ages. My daughter is in the middle of Olly's book on Smith Wigglesworth, loving every page. I can't wait for her to read this one!

I love God's Generals and was so excited to see a kids' version. My boys, 13 and 11, were just as excited as I was to read it each day. "I believe in miracles, because I believe in God." My children were reminded how big our God is!

Give your children a Godly example of how to live for God. Kathryn's life is one we can relate too. She shows you how to be persistent in life even when it looks hopeless.

I read this book along with my daughter. We both enjoyed reading it. I finished the book within a day and was ready to begin the next one.
