I sent this to my nephew who has been sitting in prison for awhile. He wrote me a letter and thanked me profusely. I love it that it has the approval to deliver to the prisons, it makes it so easy to reach out to loved ones who are hurting and need to be healed, before they get back out in the world.

This study guide is interesting because it doesn't give long drawn out explanations on scriptures. It hits the points of the passage and then moves on. There are not many commentaries out there like this one. It gives a down to Earth "this is what it means, now let's apply it and move on" feel.

This book is the most perfect Bible reference tool. If I have any questions on a Scripture I am reading, this book is so handy I can turn right to it and have a quick explanation. I also like how it has maps and some Greek words for better understanding. At the beginning of each book is a summary explaining who wrote it, when, and the purpose. At the end of each book are some study

questions which are helpful to see if you understood that book in the Bible. This is a great book to give to anyone including junior high and high school students. They will appreciate getting quick answers and explanations to things they are reading in the Bible. And it's helpful for new believers too.

If you ever had a question about any Scripture verse, this will answer it--fast. Seriously, you can find it within seconds. Put this book next to your Bible--and you get Pastor Chuck's commentary instantly to the Scriptures. Not only did it help me better understand sooooo many Scriptures--I was actually able to answer skeptics and critics' questions concerning the Bible. So cool. You gotta get this. **AND DON'T FORGET THE OLD TESTAMENT STUDY GUIDE TOO!** Old Testament Study Guide: Genesis Through Malachi Verse-By-Verse

Since I am just coming back to my bible, I just ordered this book after seeing it at my son's home, which my son and his wife have bible study every week, it has helped them getting through the New Testament. I was thinking about ordering a Study Bible, but all were so big, I actually own a Reference Bible, and I think this book will help me understand the New Testament a little bit more than just reading.

Excellent reference guide to help understand those elusive verse meanings. Every verse has an explanation and the price is reasonable compared to other guides. Can't wait to get the Old Testament Guide too.

This book is a handy reference when studying the New Testament. In Pastor Chuck's easy conversational style, he comments on key passages, explaining their meaning and relevance to our lives today. Just right for the Bible student or anyone seeking to understand the Bible better, without being encumbered with pages and pages of difficult-to-comprehend commentaries.

I have this book somewhere in my home but for some strange reason couldn't locate it. I am VERY content with its pristine condition and looks exactly like the one missing. :) What a deal! :) Came sooner than expected and very VERY happy with my purchase. :)
